

Warrior Weekly

A MESSAGE FROM THE HEAD OF SCHOOL

As we prepare to enter the fifth full week of school, we hope that our students and families are finding a rhythm with their teachers, homework, and extracurricular activities. Rhythm can be defined as “a regularly recurring sequence of events, actions, or processes.” We strive for students and parents to clearly understand the expectations of each teacher and that we offer opportunities for each child to thrive holistically. As you know, TCS has designed “check-ups”

along the way to help parents understand what is expected of their children. Kindergarten through fifth grade send home weekly packets with the expectations for that week enclosed. Teachers utilize Google Classroom for sixth through twelfth grade to communicate weekly expectations. All parents can utilize Renweb for updates on their student (s) grades.

We'll have another “check-up” opportunity on October 21st for parent/teacher conferences. Let's continue to work together to help our incredible students find a rhythm to successfully accomplish all that God has put before them!

With gratitude,
Pastor Marcus
