## A MESSAGE FROM THE HEAD OF SCHOOL

In addition to our normal activities, the next several weeks will be filled with additional activity on our campus. We will host ANSAA October 20th - October 22nd, as we complete our re-accreditation process. As a reminder, the accreditation process involves an evaluation of the school’s progress in adopting “best” educational practices in 7 key areas.... Mission and Philosophy; Governance, Leadership, and Administration; Teaching and Learning; Communication and Community Relationships; Resources and Support; School Environment and Facilities; and Strategic Plan for School Improvement. Thanks to many of you that have and will be assisting in our re-accreditation process.

As we culminate the end of the first quarter today, we look forward to seeing many of you for our parent teacher conferences on Thursday, October 24th. Please take advantage of the wonderful opportunity to connect with your child’s teachers. Parent teacher conferences are designed for two-way communication regarding your child’s progress and a way to ensure parents and teachers are on the same page. Whether I have your child in class, or you have questions about TCS, please feel free to sign up for a time to meet with me. I am looking forward to celebrating our students, teachers, and institutional success over the next several weeks!

With gratitude,  
*Pastor Marcus*
